

Product Data Sheet

Gjøco Sinkkoksidspasta til Linoljemaling

Gjøco Sinkkoksidspasta contains zinc oxide intended for Herregård Linoljemaling to give the paint better properties and make the paint film more durable. Gjøco Sinkkoksidspasta is especially recommended for white and light colors. It is supplied in 1 liter packaging and should be added to 9 liters of Herregård Linoljemaling. NB: Do not use in other types of paint.

Technical data

Type:	Pigment paste
Color:	White
Flas point:	>62 °C
Specific gravity:	1.7 kg/l
Thinner / cleaning agent:	White Spirit

Directions for use

Empty the contents of the can into a 9-liter bucket of Herregård Linoljemaling and stir well. The paint should be used immediately and preferably within 1 month after adding Gjøco Sinkkoksidspasta.

Storage

The product must be stored in accordance with national regulations. The packaging must be kept tightly closed and stored dry at a constant temperature. The paint must be transported and stored upright, dry and frost-free.

Eco-labeling

BREEAM-NOR v6.1
 – MAT02: Contains no substances listed under REACH Article 59(10) – the Candidate List and the Norwegian A20 list. See also the product safety data sheet.

Disposal of waste

The product should not be emptied into sewers or into the environment, but delivered to an approved hazardous waste collection point. Empty, clean and dry packaging should be delivered to an approved collection point.

Other information

Sinkkoksidspastaen will contribute to the whiteness of the colour, which may be noticeable if used on dark colours. The product must be stored in accordance with

national regulations. The packaging must be kept tightly closed and stored dry at a constant temperature.

Safety

The product is toxic to aquatic organisms. Avoid spillage into the environment. See separate safety data sheet. Read the information on the packaging.

The information provided in this data sheet is based on laboratory tests and practical experience. As the conditions under which the products are used are often beyond our control, we cannot guarantee anything other than the quality of the product itself. The products are supplied in accordance with our general terms and conditions of sale, delivery, and service, unless otherwise agreed in writing. We reserve the right to change the stated data without prior notice. Paint may be regarded as a semi-finished product, and the final result depends on factors such as surface preparation, temperature, application method, type of substrate, etc.
