Ingredients

Aqua
 Propylene Glycol.
 Decyl glucoside
 Alcohol
 Glycereth cocoate
 Deceth-5
 Alanine, N,N-bis(carboxymethyl)-, trisodium salt
 Isopropyl alcohol
 Citric acid
 Parfum
 CI 42051
 Acid Yellow 23

Technical data

Type:	Synthetic detergent
Specific gravity:	Approx. 1.0 kg/l

Usage data

Recommended spreading rate:	1 liter washing solution for approx. 15 m ² .
Mixing ratio:	1 part Gjøco Interior Wash to 9 parts water.

Directions for use	Mix 0.5 liters of Interior Wash with 4.5 liters of water. Wash with a lint-free cloth or microfiber cloth. Let dry before further treatment. No need to rinse. For heavily contaminated surfaces, the treatment can be repeated. Avoid prolonged contact with untreated wood, aluminum and porous surfaces.
Storage	Screw the top tightly shut when storing to prevent spillage and drying out. The packaging must be kept tightly closed. The product should be transported and stored upright, dry and frost-free.
Disposal of waste	<p>The product must not be emptied into sewers or into nature, but delivered to an environmental station. Empty, clean, and dry plastic packaging can be delivered as plastic waste.</p> 
Other information	Packaging sizes: 1 litre
Safety	See separate safety data sheet. Read the information on the packaging.

The information on this data sheet is based on laboratory tests and practical experience. Our products are considered semi-finished products and as the conditions under which the products are used are often beyond our control, we cannot guarantee anything other than the product's quality. The products are delivered in accordance with our general terms and conditions for sales, delivery and service, unless otherwise agreed in writing. We reserve the right to make minor product changes and to change the specified data without prior notice. This data sheet replaces previous editions.
