

FDV – Management, Operation, and Maintenance

Gjøco Proff Rullesparkel Allround

Gjøco Proff Rullesparkel Allround is a ready-mixed, grey all-purpose filler. This roller-applied filler has good filling capacity and a smooth consistency, making it easy to work with. Suitable for resurfacing, joint filling, and full-surface filling. It adheres well to most indoor wall and ceiling surfaces such as concrete, gypsum, fiberglass fabric, and wallpaper. Suitable for embedding paper tape.

Revised: 11.06.2025

Instructions for Use

Technical Data and Safety Information

A technical data sheet and a safety data sheet (HMS / SDS) have been prepared for the product. See www.gjoco.no.

Gjøco Proff Rullesparkel Allround is approved by the Nordic Ecolabelling (Miljømerking Norge) and meets the requirements for the Swan ecolabel.

Maintenance

Cleaning:	Not applicable. The product is not used on its own.
Interval:	Not applicable. The product is not used on its own.

Waste Disposal

The product must be delivered to an approved facility for such waste. The product must not be poured into the environment, sewage, or water. Empty and dry packaging should be delivered to an approved facility.

Repairs / Damage

Repairs and damage should be repaired using the same type of product. If other products are used, it must be documented that they are of the same type as previously used. When repairing damage, the work should be carried out so that it does not differ from previous treatments. When repainting or changing color, it is

recommended to use the same product as before. Contact your dealer or paint company for advice.

The information in this data sheet is based on laboratory tests and practical experience. Our products are considered semi-finished goods, and since the conditions under which the products are used are often beyond our control, we can only guarantee the quality of the product itself. The products are supplied in accordance with our general terms and conditions for sales, delivery, and service, unless otherwise agreed in writing. We reserve the right to make minor product changes and to amend the specified data without prior notice. This data sheet replaces previous versions and is automatically void five years after the publication date.
